

For Employers/Advisors Exploring

A Better Way to Support Employee Well-Being

ViCare® by ViMedicus is a comprehensive, employer-funded health solution designed specifically for small to mid-sized organizations. We provide fast, high-quality access to mental health, coaching, and nutrition services, without the barriers of traditional healthcare.

What Sets ViCare® Apart

ViCare® goes beyond Employee Assistance Programs and digital wellness tools by delivering **real, human-centered care**:

- One-on-one support through dedicated **ViCare® Guides**
 - No copays, deductibles, or insurance complexity
 - Unlimited access to services (based on plan design)
 - Focus on long-term behavioral change and measurable outcomes
-

Comprehensive Service Offering

Your employees gain access to a full continuum of care:

- **Therapy:** Licensed professionals supporting mental and emotional health
 - **Psychiatry (via First Tracks):** Diagnosis and medication management
 - **Life Coaching:** Personal and professional development support
 - **Diet & Nutrition (via Dietella):** Clinical nutrition and lifestyle guidance
-
